PACKAGE DETAILS

PARTIAL PLANNING (INCLUDED)

This package allows for up to 30 hours of pre wedding time and 12 consecutive hours on the big day. This package is a "day of" coordination style service with the added bonus of some pre planning time with a local wedding professional. In this package we offer advice and assistance in sourcing the perfect vendors to make your big day exactly what you dreamed of. We will offer advice on how to build rental agreements, seating charts, floor maps, timelines and anything you may need a little help with along the way. You will ultimately be responsible for the final drafts of these documents, with a little help from your friends at Dream Big :) You are the final say on all decisions and bookings, but we will make sure that those decisions lead you to your ultimate wedding vision.

DAY OF (OFFERED FOR CEREMONY ONLY PACKAGE)

This package includes up to 5 hours of pre-wedding time to allow for questions, review of materials, rehearsal and meetings. It then includes up to 10 hours consecutive time on the day of the wedding. This package allows you to do all of the booking and planning yourself. You will be responsible for vendor communication, arrival times, rental agreements, timelines and seating charts. We will take over in the weeks leading up to your big day to review vendor information, answer questions and attend the rehearsal. We will then be on site on the day to help with décor, greet and direct vendors, ensure your vision is being executed and finally ensure the day runs smoothly. Overtime hours billed at \$100 per hour.
